

Staffing Services

Staffing Pros – a division of Veterans Enterprise Technology Solutions, Inc (VETS) – provides staffing, solutions, administrative and management consulting to both the Federal and Commercial verticals.

At Staffing Pros we believe:

- It is an Honor to serve and we have carried that into our customer delivery.
- Integrity above all – our word is our bond.
- Commitment above all else, as we are committed to bring value in all engagements.

If you want to know what makes Staffing Pros different, watch in how we behave. Our traditional values are laced with thinking different, being innovative in our delivery and excelling in our mission.

Contract to Hire

A model designed to allow flexibility in spend and relationship – allowing for evaluation by both parties prior to full time engagement.

Direct Hire

Consult with us on your requirements and allow us to network the perfect permanent resource for you.

Management Consulting

Establish Best Practices through coaching, training and management services from some of our best leaders in the industry.

Payroll Services

Increase your Diversity spend reporting while reducing your administrative costs.

Project Consulting

Customize your project with a Subject Matter Expert(s) while maintaining overall project responsibilities.

Staff Augmentation

Manage your business objectives using talented contingent professionals adding value to your project deliverables.
